

Cochise College - Online Campus

Welcome

Your online courses will be available on the first day of the semester.

To access your course:

Go to www.cochise.edu/

Click on the WebStudy login button located in the lower right corner of screen

To log into WebStudy:

Enter the following information:

Username: Enter your 9 character student ID ("C" number.) (The "C" number is available on your registration form.)

Password: Enter your birth date in MMDDYY format (without dashes or slashes.)

After entering your username and password, click "Login" and you will get to your WebStudy homepage where you will find announcements and other information for all of your classes.

Access any of your courses by clicking the drop-down menu located at the top right of the screen, select a course and click "Go". This will bring you to your course homepage.

Working with a Course:

On your course homepage you will find introductory information. On the right side of the page are tabs leading to different sections of your course. The Timeline tab is a good place to start; but explore all of the tabs to get familiar with your course.

To email your instructor, click on the "letter" icon located at the top left of the screen.

Cochise College Information:

Visit the Online Campus web page at www.cochise.edu/onlinelearning for information about textbooks, schedules, degrees, and related matters.

Online Campus Contact Information

Website: www.cochise.edu/onlinelearning

WebStudy Orientation

If you are taking an online course for the first time, access a student orientation video at: <http://skywalker.cochise.edu/resources/student/orientation>

This orientation will guide you through the login process and also familiarize you with basic operations of WebStudy.
